'CIRCULAR'

Subject: Cultivation of vegetables at Township residential area

It has been observed that, some employees have cultivated vegetables by encroaching the land unauthorized and increasing the vegetation inside the township premises. It has also been noticed that some employees have utilized terrace land for vegetation which is causing seepage in the Quarters through roof ceiling .These activities are leading to nuisance among the township residents.

As a responsible citizen and to keep our township Green and Healthy, all residents are advised to refrain themselves from the cultivation inside the township premises & terrace and the places using for cultivation shall be developed by plantation of flowering plant and ornamental plant only.

Cooperation from all is highly solicited.
