**INDIAN FARMERS FERTILISER COOPERATIVE LIMITED
PARADEEP UNIT**

Date: 11.02.2023

Sub: National Productivity Week, 12th to 18th February 2023.

Dear Colleagues,

We feel proud to be part of India's largest integrated phosphatic fertiliser complex at Paradeep, which contributes about 15.56 % of phosphatic fertiliser production in India during FY 2021-22. This year we have already achieved more than 100% capacity utilization by surpassing 19.20 Lakh MT of bulk fertiliser so far and we are expecting to cross 21 Lakh MT production milestone, which will be highest ever fertiliser production from Paradeep Unit. This year, we have achieved various production accomplishments by surpassing previous records.

- Highest ever monthly bulk fertilizer production of 2,13,800 MT (@6897 MTPD) in the month of Jan 2023.
- Highest ever monthly P₂O₅ production of 87,600 MT in the month July '22 @ 2826 MT per day.
- Highest ever daily Phosphoric Acid production of 3,750 MT (142% capacity utilization) achieved on 1st Dec 2022.
- Highest ever monthly fertilizer despatch of 2,17,019 MT in the month Sep'22.

Such outstanding achievement would not have been possible without the sincere and dedicated efforts by all of you. To increase awareness about productivity among employees, we are celebrating the "National Productivity Week" during 12th to 18th February every year. The theme of Productivity Week-2023 is "**Productivity, Green Growth and Sustainability: Celebrating India's G-20 Presidency**"

This year's theme is related to improving productivity along with focusing on green sustainable growth. Green growth is possible only through sustainable practices such as improved resource efficiency, adopting circular economy & renewable energy sources.

Paradeep Unit

To enhance the productivity, I request all members of IFFCO, to work on innovative technologies, by making themselves aware of latest technologies for technological upgradation to improve process efficiencies. This will further improve our performance in all fields.

It's my earnest request to every member of Paradeep Unit to inculcate a work culture of higher productivity in the fields of safety, environment, quality, energy conservation, and waste minimization, which will be set as new bench marks for years to come.

K J Patel,
Unit Head.
