Subject: Awareness Program on 'waste to wealth' drive for housemaids at Swarna Jayanti Sabhagar( Choupal).

Management has decided to implement a drive for proper segregation of domestic garbage into wet bio-degradable and dry non-biodegradable wastes which will lead to its proper disposal. Wet bio-degradable waste will be converted to manure whereas dry non-biodegradable wastes shall be handed over to recyclers. Management's vision of 'waste to wealth' will be achieved.

Housemaids working in our township play an important role in the above waste to wealth drive. An awareness program by "Jyoti Ladies Club" will be organised on the above issue for Housemaids at Swarna Jayanti Sabhagar( Choupal) tomorrow ie 25.07.2023 (Tuesday) at 09.00 hrs.

All residents of the Township are requested to inform/send their maid to reach Swarna Jayanti Sabhagar (Choupal) at 08.30 hrs to attend the awareness program positively.

Cooperation from all is highly solicited.
