

We are Pleased to share with all, that IFFCO has launched Mobile Apps for Farmer, Drone Pilots and Web Portal for IFFCO Officials.

1. **'IFFCO KISAN UDAY' Mobile App for Farmer**
2. **'IFFCO SAHAKAR UDAAN' for Drone Pilots(Rural Entrepreneur)**
3. **IFFCO Nano & Drone Portal for MKCO/SMM/FOs/All Concerned Officials.**

1. 'IFFCO KISAN UDAY' Mobile App for Farmer

IFFCO introduces Mobile App **'IFFCO KISAN UDAY'** for Farmers, which registers farmers and their field details with IFFCO and helps farmer to book Nano Fertilizers Spray in their fields using Drone. Farmer can also scan Nano Products using the Mobile App to get details of a product.

The purpose of this app is

- ➔ To promote Nano Products spray using Drone
- ➔ To give farmers a platform where they can manage their bookings for Nano Products Spray and check the details of any IFFCO Nano Product

For Android devices, the App is available on Google Play Store with the name 'IFFCO KISAN UDAY'. The following link can also be used to install the app on android devices.

https://play.google.com/store/apps/details?id=com.iffco_farmer_app

For Apple devices, the App is available on <https://mapp.iffco.coop/iosAppLink> with the name 'IFFCO KISAN UDAY'. (Detailed instructions attached)

2. 'IFFCO SAHAKAR UDAAN' Mobile App for Drone Pilots

IFFCO introduces Mobile App **'IFFCO SAHAKAR UDAAN'** for Drone Pilots, in which Drone Pilots registered with IFFCO can manage all the Bookings and Service the request by following a step by step procedure for all Spraying requests. Drone Pilot can also update Nano Products used in Spray using the Mobile App, book Nano Fertilizers Spray in fields on behalf of Farmer and can also Mark whether the payment has been received or not.

The purpose of this app is to promote spraying of Nano Products using Drone. This App will further give a platform to Drone Pilot for

- ➔ booking Nano / Sagarika Spray using Drone on behalf of Farmer,
- ➔ managing all the bookings for Nano Products/Sagarika Spray
- ➔ Servicing requests by following the App
- ➔ Updating the Nano Products/Sagarika used in the App
- ➔ Mark Payment Received or not

For Android devices, the App is available on Google Play Store with the name 'IFFCO SAHAKAR UDAAN'. The following link can also be used to install the app on android devices.

https://play.google.com/store/apps/details?id=com.iffco_kisan_drone

For Apple devices, the App is available on <https://mapp.iffco.coop/iosAppLink> with the name 'IFFCO SAHAKAR UDAAN'. (Detailed instructions attached)

3. IFFCO Nano & Drone Portal for Fields Officers/State Officers

A Webportal named “**IFFCO Nano Portal**” has been released to facilitate the analysis of scanning of Nano Urea and Nano DAP bottles by Retailers for which an incentive of Rs. 5/- (Rs.1 earlier) as loyalty points given for every bottle scanned by retailer at the time of sale to farmers. All the retailers are receiving their incentive periodically from respective state office on recommendation form MKCO using the file generated from the IFFCO Nano Portal
