## The legacy of IUCF

*A biennial event celebrated among different Units of IFFCO, IUCF encompasses the rich tapestry of Indian heritage. This is a spectacular platform where members of IFFCO families join together in a harmonious journey of cultural exploration; showcasing their talent in music, dance and drama whilst reflecting the cultural identity of the region. This is not only a time for joyous celebrations but also serves as a reminder of the country's deep-rooted traditions, values, and history. We welcome you in in this event which symbolises IFFCO's commitment towards promotion of collective identity, heritage preservation, and cultural democratization.*
