

IFFCO Paradeep UNIT

HR/Night Surv/2020

Sub : Night Surveillance in Plant Area from 03.06.2020 to 30.06.2020

All are well aware of the present scenario where Security and Vigilance has assumed greater significance and our Paradeep Unit being a continuous processing chemical plant, this aspect is of paramount importance. Therefore, with a view to strengthen the vigilance and surveillance in plant area during night hours, the schedule of officers required to perform duty during the period from 10.00 PM to 6.00 AM is given in the attached file.

All the nominated officials are required to adhere to the schedule and submit the report on the next working day in the prescribed proforma to DGM(P&A) with a copy to JGM (F&S) and Sr.GM Office. The officers attending night surveillance duty will avail Compensatory Off on next working day.

All the officers are essentially required to take the round(s) in the plant and make a special mention about their observation in the report. A register is kept in Emergency Control Room (In New Fire & Safety building) where the concerned officers may put their observations.

In case any officer in grade G1 to E is unable to attend his night surveillance duty due to some exigencies, he will inform his HOD and the concerned HOD will nominate some other officer in his place in the same group only for the said duty. In case anyone opts for any mutual change under any unavoidable circumstances, mutual change in respect of officers in G1 to E grade can also be within the same group only with consent of concerned HOD's and information to time office.

On the day marked with '\$' ,the duty official on that day will test the response of the ambulance by making a random call to the hospital for sending ambulance to any plant location and enter the details of response timing accordingly.

On the day marked with '*' ,the duty official on that day will test the response of the Fire Tender by making a random call to the Fire Control room for sending Fire Tender to any plant location and enter the details of response timing accordingly.

Cooperation of one and all is solicited.
