Message

I am happy to learn that IFFCO is observing its 'Vigilance Awareness Drive 2018' from 1st November, 2018 to 2nd November, 2018.

It is an endeavor to help promote a culture of integrity, transparency, accountability & adherence to rules by IFFCO employees in line with organisational requirement.

I am also happy to note that IFFCO is organising various programs for spreading awareness among its employees and their dependants besides educating the vendors, contractors and member cooperative societies to enhance efficiency, fast redressal of complaints and to make them more aware about our procedures and their role in Participative Vigilance.

I extend my well wishes to all IFFCO employees for observance and success of 'Vigilance Awareness Drive 2018'.
