

March 3, 2016

Dear Friends,

As we all are aware of the fact that our society, IFFCO will be completing 50 years of its inception on 3rd November 2017. So, It is very important to showcase the real experience, strength, love, affection and moreover that soulful connection with the farmer across the country which we had developed from the last 5 decades. It will be in form of nation wide celebrations on this occasion to make it historic. We want to ensure the participation of every farmer, cooperator & employee who is directly or indirectly related to the society.

The Golden Jubilee Celebrations will start on Thursday; 3rd November 2016 from Kalol which is the mother plant of IFFCO with inauguration of *Golden Jubilee Column* for showcasing the strength of Cooperative and Farmers. This will be placed in all the plants including Nellore & Head Office, New Delhi. This series of events will travel across the country covering all the manufacturing Plants, State Offices, Area Offices and some other relevant places to cover entire cooperative network of IFFCO. The celebrations will not only touch the agriculture and cooperation side but also the art and culture of the country as IFFCO has always worked for promoting the same. The final & main celebrations will be held in New Delhi on 3rd November 2017, which includes a Gala celebration at Indira Gandhi Indoor Stadium with capacity of 15000 persons.

For the celebrations I have formed few committees who will perform their duties voluntarily. I am also inviting the voluntary participation of every employee in whatever form they can contribute. We invite the design of Logo of Golden Jubilee Celebrations & the design of Golden Jubilee Column from employees or family member of the employee. The entries can be sent to Mr. Harshendra Verdhan, Manager – PR & Publicity at hsverdhan@iffco.in, ankurawasthy@iffco.in and goldeniffco@iffco.in by 21st March 2016.

Let's make it a successful & most memorable event in the history of IFFCO.

(U.S. Awasthi)
