November 30, 2018

Subject : Supply of Water in Township.

Consequent to prolonged duration stoppage of Canal Water (Main source of water for our Plant & Township), it is anticipated that it may lead to water shortage. Hence, it would be prudent to use available water economically. Accordingly, it is proposed to restrict the water supply in the Township as per the following schedule:-

04.00 hrs to 10.00 hrs

12.00 hrs to 15.00 hrs

17.00 hrs to 23.00 hrs

All residents/ agencies are requested to make a note of this and store sufficient water to meet water requirement during the stoppage period.

Cooperation from concerned residents of the township is solicited.
