APPEAL

Our Prime Minister has given a call to all the countrymen to give up subsidy on LPG by those who can afford to manage without it.

We all know that the employees of IFFCO can afford to manage without subsidy on LPG cylinders. I, therefore, make an appeal to all the employees of IFFCO to give up subsidy on LPG cylinders.

This can be done by sending SMS to the LPG Supplier.

A handwritten signature in blue ink, appearing to read 'U.S. Awasthi', written over a horizontal line.
