### **Sub: Celebration of WORLD ENVIRONMENT DAY - 2018**

World Environment Day (WED) is the United Nations' most important day for encouraging worldwide awareness and action for the protection of our environment. World Environment day is commemorated on 5<sup>th</sup> June every year. This year India is the global host of World Environment Day. Each WED is organized around a theme that focuses attention on a particularly pressing environmental concern. The Theme of WED 2018 is **"Beat Plastic Pollution"**.

The theme for World Environment Day 2018, urges the World to come together to combat single-used plastic pollution.
