

CIRCULAR

Date: 6.6.2014

**Sub: Requirement of Pollution Certification for all vehicles entering into the premises.**

This is to inform to all concerned that Pollution Certificate is mandatory for the vehicles entering into the factory premises. All concerned officials are requested to pass on necessary instructions to all transporters that they must have the pollution certificate issued from the concerned authority with in 15 days .

Co-operation of all is highly solicited.
