### Bright Deepawali

I wish you and your family a very happy and prosperous Deepawali. As a result of your dedication and hard work, IFFCO continues to make great achievements in the service of farming community. In recognition of these achievements Fertiliser Association of India (FAI) has given for the year 2011-12 four prestigious awards to IFFCO in the areas of Production, Environment Protection, Technological Innovations and Transfer of Improved Farm Technology to the farmers.

You will be glad to know that IFFCO, through its subsidiary Kisan International Trading, is setting up a new Urea plant at Becancour in the Quebec province of Canada with an annual capacity of 1.27 million tonnes, in partnership with the Quebec based La Coop Federee and Investissement Quebec.

On this auspicious occasion I would like to reiterate our commitment to safety. I urge you to ensure complete observance of all the safety procedures and measures at all the work places whether in the Plants or in the field.

I pray to Goddess Lakshmi to bless you and your family with robust health, happiness, prosperity and affluence in plenty.
