

# Conservation of energy For Future Generation

NAME: RASHMI RAHMAN DAS  
Class - IX A

Every Creature on Earth has ~~by~~ Equal Rights to live on it  
So, don't harm those innocent creatures

Think About your Future generation  
Our activities are going to be a great threat to them  
So please help Government and Contribute your Valueable efforts to Conserve ENERGY

Your future is on your hands

Money Saved is Money Earned;  
Energy Saved is Energy Generated

## THINK

about the work you are going to do and what will be its Impact

## ACT

In a positive manner, not to harm others but to help

## CONSERVE

Think All natural resources as your own and make individual efforts to Conserve it
