

**CIRCULAR**

No. PDP/P&A/Pers/2020

17.04.2020

**Sub: Restriction on movement of Township residents, spitting in public place & alcohol consumption**

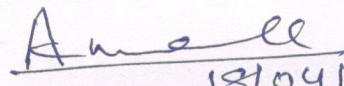

The novel Corona virus is an ongoing pandemic and is a matter of concern. It is the need of the hour to take precautions and preventive measures to keep ourselves and our society safe. However, despite our various circulars & instructions, it has been reported that residents of Township are found roaming in the Township Market, streets, parks etc.

Such casual attitude by some residents compromises the safety of all. It may also be noted that such violations during the lock-down period is a punishable offence under the Indian Penal Code. Therefore it is once again advised to the residents of Township to confine themselves to their quarters and only come out of their homes for essential work.

Further it has been decided to prohibit the use and spitting of paan masala in Township / Plant as a precautionary measure to prevent the spread of the pandemic. Township residents are requested to abstain from consuming alcohol particularly during this period as alcohol consumption compromises the body's immune system and increases the risk of adverse health outcomes.

Cooperation from all employees & residents of Township is solicited.

This is issued with the approval of the Competent Authority.
