IFFCO/PDP/P&A/ 2018

CIRCULAR

As all are aware that IFFCO Paradeep is observing "Swachhta Pakhwada" from **1st September to 15th September 2018**. In this regard township residents including shopkeepers and other agencies have to play vital role in stopping the use of plastics and adopting eco-friendly practices.

Since, plastic is a non-biodegradable material and disposal of the same is very difficult. The plastic polythene bags used for carrying vegetable and other consumable items from market complex are deposited in the dust bins which are ultimately disposed by dumping somewhere inside the Township.

We should rise upto the situation and create a eco-friendly living atmosphere in the Township. All the employees and residents are therefore, advised to please ensure their full cooperation with the management in the endeavor to create Green Township make this Swachhta Pakhwada successful.

1. Shopkeepers in township are strictly advised to provide biodegradable carry bags only. If shopkeepers in the Township are found offering plastic bags to customers, the same may be reported and suitable action including cancellation of shop allotment will be initiated against them.
2. All the township residents are advised to adopt **Bring Your Own Bag (BYOB)** habit and not to use or accept plastic carry bags for shopping.
3. All the township residents are advised to segregate household garbage into biodegradable and non-biodegradable in the dustbins already provided to them, thereby helping in effective segregation.
4. All the residents are advised not to bring plastic carry bags from outside the Township. Security has been advised to exercise suitable check to stop bringing plastic carry bags from outside the township.

All the residents are advised to follow the above to stop usage of plastic carry bags completely and make the Township plastic free. This issues with the approval of competent authority.
